Thank you for your understanding during our ongoing efforts to protect the public and our workers from the potential transmission of the COVID-19 virus.

*In an effort to prevent the spread of COVID-19 within communities and across the country, all Canadians are advised to avoid closed spaces, crowded places, and close contact, stay home and away from others if you feel sick, stick to small and consistent social circle and avoid gathering in large groups, talk to your employer about working from home if possible, limit contact with people at higher risk, such as older adults and those with underlying medical conditions or weakened immune systems, keep a distance of at least 2 arms lengths (approximately 2 meters) from others, regularly wash your hands, wear non-medical masks or face coverings, and practice proper cleaning and disinfecting.
