

TENDER ANNOUNCEMENT – RFQ № 24 08 002 WTP BRICK WALL REPAIR

Electronic tenders, plainly marked as to contents, will be received by the Procurement Manager until:

1200 hours local time on Friday, August 30th, 2024

for the works described below:

The Scope of Work shall include all labour, materials, equipment and any other costs associated with the inspection and repair of a portion of the brick wall at southeast corner of the PUC water treatment plant located at 2059 Second Line west. The area of concern is located above the level 1 (ground floor) roof. A portion of the brick wall is showing signs of loss of glazing, spalling, failure of the mortar joints and loose bricks. The brick wall is bowed out at the top and the expansion joint is failing.

This Contract will run from the end of September to November 29th, 2024.

Complete tender documents can be obtained by contacting the Procurement Department at purchasing.dept@ssmpuc.com.

There will be no public opening of this tender, however all bidders will be notified of their results.

Tenders are subject to a formal contract being prepared and executed. PUC Services Inc. reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
