Basic Underground Residential Service: (Customer provides trenching, conduit and pull string):

From overhead Distribution (pole)

3/0 triplex (typically for 200 ampere service) (first 5 m of trench only) no charge

Extra length for 3/0 triplex underground service (beyond first 5 m) \$14.00 per m

350 triplex (400 ampere service or distance) (no allowance) ---

Trench length for 350 triplex underground service (all per m) \$33.00 per m

Urban Residential Subdivision: (Paid Subdivision, PUC provides trenching)

Single Family and Semi-detached housing supplied from overhead distribution (pole):

3/0 triplex (200 ampere) (first 16m of trench only) \$3,237.00 per service

350 triplex (400 ampere or distance) (first 16m trench only) \$4,475.00 per service

Single Family and Semi-detached housing supplied from underground distribution:

3/0 triplex (200 ampere) (first 16m of trench only) \$2,813.00 per service

350 triplex (400 ampere or distance) (first 16m trench only) \$4,350.00 per service

Rural Estate Residential Subdivision: (Paid Subdivision, PUC provides trenching)

Single Family housing supplied from overhead distribution (pole):

3/0 triplex (200 ampere) (first 30m of trench only) \$5,000.00 per service

350 triplex (400 ampere or distance) (first 30m trench only) \$6,050.00 per service

Single Family housing supplied from underground distribution:

3/0 triplex (200 ampere) (first 30m of trench only) \$4,400.00 per service

350 triplex (400 ampere or distance) (first 30m trench only) \$5,300.00 per service

Paid Subdivision Development – extra length beyond allowed trench length:

(Paid Subdivision, PUC provides trenching)

3/0 triplex extra length \$68.00 per m

350 triplex extra length \$84.00 per m
